

**HAVE YOU EVER SEEN ROOSEVELT LAKE FULL?**  
*It has only been this close once before. Be a part of Roosevelt Lake history and come out to see it for yourself.*

**MARINA IMPROVEMENTS...**

On your next visit to the Marina, the Dock Store, Bar and Fuel Dock will all be located on the first dock. With this move we will be able to better facilitate the public. Our additional gate is almost complete and we will have an access system installed shortly. When this is completed we will be issuing gate cards to you, the member, to access the private restrooms and gates. This is a big step for the facility and thank you all for your patience.

**PARKING LOT AND LAUNCH RAMP UPDATE...**

Members, please refrain from parking your vehicles with trailers in the East parking lot. We will be limited this season with parking because of the high water levels. Signage will be posted and we expect everyone to comply. Our new high water ramp is now under operation. It is a one lane ramp with a turnaround area. Camping will be restricted to the 4 tier area. The water is approaching the lower area of the bottom tier and will be one of the only shoreline campgrounds for the lake this spring. We have put down more rock to access the launch and camping areas to better accommodate all users.

**45' COVERED SLIPS...**

We will be opening up 8 new 45' covered slips after the store is relocated. If you are interested in relocating or upgrading to a covered slip now is the time. The slips that will become available are the ones our rental boats resided in for the past few years.

**MECHANIC ON STAFF....**

Need services preformed on your boat? Give us a call and have our Certified Technician service your pride and joy.

**ADDITIONAL STAFF AT YOUR SERVICE...**

As soon as member traffic picks up we will be increasing our staff to serve our customers. During peak times we will have three shuttle carts running, as well as additional dock security on the weekends.

**DRY STORAGE MEMBERS...**

Power and Water are now available. Your boat will need to be moved near our Shop Pad in order to provide you with these services. Please excuse the mess, our Shop area is still under construction.

**BIG BASS DAYS AT ROOSEVELT MARINA...**

We will be hosting Big Bass Days on May 16<sup>th</sup> – 18<sup>th</sup>. During this event there will be several dealers with demo boats on the docks. In order to facilitate this event we will be relocating some boats from their slips temporarily. We will be notifying those who will be affected in advance and will work with you to make this as convenient as possible. If you have any questions please contact Dan at extension 24. We will have a show layout by the next News Letter.
