Roosevelt Yacht Club...

You are invited to an inaugural cookout at Roosevelt Lake Marina on September 3, 2005 at 11:00 am. Items of discussion will include the reformation of the Yacht Club, selecting interim officers and proposing activities for upcoming months. Hot dogs, hamburgers and drinks will be provided to attendees. Additionally, anyone who would like to bring a dish is more than welcome to do so.

All boating enthusiast's are invited (marina membership not required) so feel free to bring your fellow boating friends to the meeting!

Shore Power Electrical Lines...

We have had situations where shore power electrical lines have pulled out of boats during recent wind storms causing the power line to go into the lake. Since this could cause serious problems and injuries, please be sure to secure

electrical connections at your boat and at the power pedestals. This can be done by one of two ways:

1. Tie a rope or bungee cord at the power line end that connects to your boat and tie the rope to your boat
2. Wrap a separate line around the connection at the pedestal and secure this line to the pedestal. Therefore, if either end on the line is pulled out, it will not fall into the water. Please note that only marine shore power lines should be used.

Launch/ Retrieval Service...

Roosevelt Lake Marina now offers launch/ retrieval service daily between the hours of 8 am - 4pm. Please schedule this service in advance by calling the marina office at 602-977-7171.

Bloody Mary Bar

August 28, 2005
9:00 - 10:30

Labor Day September 5, 2005

Bloody Mary Bar...

Join us in the bar/grill area on the morning of Sunday, August 28th between the hours of 9 - 10:30. This is a GREAT way to start off your morning as well as an opportunity to meet and greet your boating neighbors.

Wet slips...

It has come to our attention that boats are being parked in slips without our knowledge and without paying for the space. We will begin monitoring this regularly. If a boat is found to be in a slip that has not been paid for, the boat will be immediately towed at the owner's expense. Additionally, the boat owner will be responsible for paying the overnight fee to Roosevelt Lake Marina. As a wet slip customer at Roosevelt Lake marina, you can rent an overnight slip for \$10 / night if an additional slip is needed.
